Work Experience

Full-time, Remote | Sep 2025 – Present

Graphic & Motion Designer * Colb Finance

Graphic and motion designer on a Swiss platform for tokenized pre-IPO investments. Work spans motion, social, editorial and product documentation: 10+ launch videos, a three-format template system for social, an investor one-pager and the GitBook graphic system. Work reposted by BNB Chain, PancakeSwap, Ethereum and Concrete.

Freelance, Remote | Jan 2026 – May 2026

Social Media Designer * Sova Labs

Creative direction and 2D motion for a DeFi platform's X account, covering cross-chain swaps, BTC vaults and fiat on-ramps. Built a reusable template system that kept production fast and the brand consistent.

Freelance, Remote | Dec 2025 – Jan 2026

Motion Designer * Re Protocol

Five announcement videos for a reinsurance protocol bringing institutional capital onchain, produced in tandem with a 3D artist. Text animation, compositing, sound design and final edit.

Freelance, Remote | Jul 2022 – Aug 2024

Graphic Designer * Independent

Websites, infographics, presentations and social content for clients across multiple industries.

Highlights

- 📺 15+ motion videos shipped across launches, partnerships and milestones
- 📺 Holding one visual language across social, editorial, investor and product work
- 📺 Template systems across three social formats, built once and reused
- 📺 Work picked up by BNB Chain, PancakeSwap, Ethereum and Concrete
